The assessments, together with interest, costs, and costs of collection (including reasonable attorney's fees), shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to the successors in title of that Owner unless assumed expressly by them. The annual assessments and special assessments shall commence and accrue as of the conveyance of a Lot to a Member.

**6.02.** Annual assessments, shall be equal to the Member's proportionate share of the sum required by the Association, as estimated by its Board of Directors and/or its managing agent (, to meet its annual expenses, including, but in no way limited to, the following:

- (a) The cost of all operating expenses of the Association and services furnished, including charges by the Association for its facilities, if any; and

- (c) The cost of extended liability insurance and the cost of such other insurance as the Association may effect; and
- (d) The cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and/or reserve for replacements; and
- (e) The estimated cost of repairs, maintenance and replacement of the common elements and improvements, including, without limitation, perimeter fences, irrigation system, wood and masonry walls, lighting, landscaping, jogging trails, entry way treatment and such other improvement which may be placed upon Common Areas and upon common easement areas.
- (f) The maintenance and utility cost of entry lighting shall be the responsibility of the Association. The entry lights shall be separately metered.
- (g) The maintenance and utility cost of irrigation systems shall be the responsibility of the Association, and the irrigation system shall be separately metered.

Except as provided in Paragraph 10 of this Article VI, the Board of Directors of the Association and/or the Managing Agent shall determine the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period, but may do so at more frequent intervals should circumstances so require as provided in the By-Laws.

Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a letter signed by an officer of the Association or the Managing Agent setting forth whether the assessment on a specified Lot has been paid.

**6.03** In addition to the annual assessments authorized by this Article, the Association may levy in any assessment year a special assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement for which the Association is specifically responsible or for such other purposes as the Board of Directors may consider necessary.

**6.04** In the event of any emergency situation, condition or occurrence affecting the life, health, safety or welfare of Members or Property of Members, the Board of Directors, acting pursuant to this paragraph, may declare an emergency assessment in such amount and payable at such time as the Board of Directors, in its sole discretion, shall deem necessary. Such emergency assessment, except for the amount and time of payment, shall be governed by all other provisions of this Declaration. Such assessment shall be borne pro rata by all Members of the Association. The Board of Directors shall be fully protected and not liable for any mistake in judgment hereunder if the emergency assessment was made in good faith.

**6.05.** Written notice of any meeting held for the purpose of taking the actions authorized under Article 6 shall be sent to all Members not less than thirty (30) days nor more than sixty days (60) in advance of the meeting. Such notice may be delivered through traditional or electronic mail.

**6.06.** Both annual and special assessments must be fixed at the same rate for all Lots, and will be collected on an annual basis.

**6.07.** The Board of Directors, may assess an Owner for the cost of cleaning up his property if necessary, removing or correcting a nuisance caused by the Owner, or for the cost of enforcing the rules and restrictions, including but not limited to a suspension of the use of recreational facilities and Common Area.

**6.08.** Any assessments that are not paid within 30 days after the due date shall be delinquent.

a. If the assessment is not paid within such 30-day period, an administrative fee of \$100.00 shall be assessed to Owner, and the assessment shall bear interest from the due date at the rate of the lesser of (i) the maximum rate of interest allowable under applicable law or (ii) 18% per annum. To evidence the lien of any unpaid and delinquent assessments, the Association shall prepare a written notice setting out the amount of the unpaid obligation, the name of the Owner of the Lot and a description of the Lot. The notice may be executed by any member of the Board of Directors of the Association and/or the managing agent and shall be recorded in the Shelby County Register's office. This notice may also be distributed to Members of the Association. The personal obligation of any Owner to pay such assessment shall, however, remain his personal

obligation for the statutory period, and a suit to recover a money judgment for non-payment of any assessment levied pursuant to this Declaration, or of any installment thereof, may be maintained without foreclosing or waiving the lien created hereby. Any interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided herein by nonuse of the Common Area or abandonment of the Owner's Lot.

**b.** For the purpose of enforcing the lien granted hereunder for any unpaid or delinquent assessments, each Owner irrevocably grants to the Association and its Board of Directors the power to sell his Lot at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such a public sale if and only if such sale is made subordinate to any prior recorded mortgage or deed of trust upon the Lot. The Association is hereby authorized and empowered to enter and take possession of the Lot, and before or after such entry to advertise the sale of the Lot for twenty one (21) days by three weekly notices in some newspaper published in Shelby County, Tennessee, giving the time and place of such sale and by written notice of the time and place of such sale to the Owner of the Lot at his last known address. Any sale shall be free from equity of redemption, statutory right of redemption, homestead, dower, and all other rights and exemptions of every kind, all of which are hereby expressly waived by the Owner. The Association shall thereafter execute a conveyance to the purchaser in fee simple, and deliver possession to the purchaser, which the Owner binds itself shall be given without obstruction, hindrance or delay. Any sale hereunder shall take precedence over and have priority over any and all other liens of every nature against the Lot, except real estate and ad valorem taxes assessed against the Lot and prior recorded mortgages or deeds of trust. The proceeds of any such sale shall be applied first to the payment of expenses associated with the sale; of protecting the Lot; and the expenses of litigation including reasonable attorney's fees; and second to the payment of real estate and ad valorem taxes assessed against the Lot and any prior recorded mortgages or deeds of trust (unless sold subject thereto); and third, to the payment of all amounts due the Association under the terms of this Declaration; and the balance, if any, to the Owner whose Lot is sold, his successors and assigns. Upon any default in the payment of an assessment, the Board of Directors shall have the right to all rents, issues, and profits from the Lot in Default and shall have the right to secure the payment through notice to those in possession of the Lot. The Association may notify the holder of the mortgage on any Lot for which any assessment levied pursuant to this Declaration becomes delinquent for a period in excess of sixty (60) days and in any other case where the Owner of such Lot is in default with respect to the performance of any other obligation hereunder for a period in excess of ninety (90) days.

**6.09.** The lien of the assessments provided for herein shall automatically be subordinate to the lien of any first mortgage, deed of trust or any lien of deed of trust or mortgage instruments or encumbrances made in good faith and for value received, duly recorded on the Lot prior to the assessment of the lien thereon or duly recorded on the said Lot after receipt of a written statement from the Board of Directors or the Managing Agent reflecting that payment made on such lien was current as of the date of recordation of the said first mortgage, deed of trust, mortgage instrument or encumbrance.

**6.10.** Sale or transfer of any Lot shall not affect the continuing force and validity of an assessment lien hereunder. The sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any conveyance to the holder of such mortgage in lieu of a foreclosure thereof, shall extinguish the lien of such assessments as to any assessments becoming due prior to such sale or conveyance. No other sale or transfer shall relieve a Lot from liability for any assessment thereafter becoming due or from the lien thereof.

**6.11.** No amendment to Section 6.09 or 6.10 shall affect the rights of the holder of any such mortgage (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

**6.12.** Any recorded first mortgage or deed of trust secured by a Lot in the Development may provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall likewise be a default in such mortgage (or the indebtedness secured thereby) but failure to include such a provision in any such mortgage shall not affect the validity or priority thereof, and the protection extended to the holder of any such mortgage (or the indebtedness secured thereby) by reason of Section 6.11 shall not be altered, modified or diminished by reason of such failure.

## **ARTICLE VII – ARCHITECTURAL CONTROL**

**7.01.** These architectural guidelines are to ensure neighborhood preservation and encourage neighborhood aesthetics. Additionally, the architectural guidelines are designed to preserve, protect and enhance the property values of homes within the community. The guidelines are to ensure the improvements within the development are generally harmonious, aesthetically consistent, conform to good architectural standards and provide for a residential development with common elements and/or features. The architectural guidelines set forth herein shall apply to each Lot and/or Parcel to ensure the best use and consistent development of each. For the purpose of insuring the orderly development of XXXXXXXX the Developer hereby establishes an Architectural Review Committee (“ARC”) with the power to review and control all improvements within the Development, as well as to make such exceptions to these Covenants, and to waive particular violations, as the ARC shall deem necessary, appropriate or proper. Neither the Declarant, the Architectural Committee, or any agent thereof, shall be responsible in any way for any violations or defects in any plans or specifications submitted, revised, or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

**7.02.** The ARC shall serve until the last lot in the development is built upon. After the last lot has been built on, the Architectural Review will be the responsibility of the XXXXXXXX Homeowner’s Association. The Architectural Review Committee may charge a fee for reviewing and controlling improvements within the development. Fees may be distributed as compensation to participating members of the AR.

**7.03** With the exception of improvements made by the Developer, no structure of any kind or nature or any fence or barrier shall be commenced, erected, placed, moved onto, or permitted to remain on any of the Lots within the Property nor shall any existing structure, fence

or barrier upon any lot be painted or altered in any way which materially changes the exterior appearance thereof, without the written consent of the ARC; nor shall any new use be commenced on any Lot unless plans and specifications (including a description of any proposed new use) shall have been submitted to and approved in writing by the ARC. In the event any covenant is violated, the Declarant, the XXXXXXX Homeowner's Association and/or its designated agents reserve the right to assess against the subject lot and/or owner a fine of \$500.00 per day for each day the violation remains unresolved and not corrected. If the violation is construction related, any such work or construction performed shall cease until the plans and the construction have been approved by the Declarant, the XXXXXXX Homeowner's Association and/or its designated agents. If the plans and/or construction activity is not approved, the lot and the improvements thereon shall be immediately returned to their respective conditions prior to commencement of such work or construction.

Approval to start any type of improvement, new construction, change, addition or alteration will not be given until a set of plans showing the full nature and impact of the proposed improvement has been submitted as required, appropriately reviewed and approved by the Architectural Committee or its designated representative.

The Architectural Committee utilizes a simple review process that is designed to assure smooth coordination between the Committee and the Owner's professional representative. The committee may ask for two submittals:

- a. Schematic and/or Preliminary submittal. (Homeowner's ideas, not highly detailed.)**
- b. Final submittal. (Final working drawings suitable for a building permit.)**

**a. Schematic and/or Preliminary Plan Review**

This Schematic and/or Preliminary Plan Review is strongly encouraged. This optional step allows an Owner to submit the design and layout concept to the ARC for preliminary comments and suggestions. The ARC will either make recommendations or authorize the Owner to proceed to the next step.

The following drawings are encouraged at a minimum, as a submission for preliminary review:

1. Site plan.
2. Exterior appearance (perspective, photographs, elevations, etc.).
3. Preliminary floor plan, all levels.

**b. Final Submission Requirements**

Final review by the ARC is concerned with working drawing content and aesthetic considerations only. Neither the ARC nor the Developer shall be responsible for engineering design or code compliance matters.

The following drawings are required for final review:

1. Site plan (2 copies with 1 copy to be retained by ARC or Declarant, together with 1 copy in digital form acceptable to the ARC or Declarant) at a minimum of 1" = 20'-0". Drawings to include:
  - a. North arrow and scale.
  - b. Property lines with dimensions and bearings.
  - c. Dwelling to be indicated as exterior walls with entry area and stairs delineated and roof and deck lines shown and noted.
  - d. Finished floor elevations (FFE) indicated.
  - e. Setback limits shown.

as outlined in the final submission requirements in order to be scheduled for review.

Final approval from the ARC shall be dated and in writing. It shall be effective for twelve (12) months after the approval. If construction is not commenced within six (6) months of approval, a new submission for final approval is required, with an additional submission fee. In the event that approval of such plans is neither granted nor denied within sixty (60) days following submission to the ARC, said request shall be deemed approved without further action of the ARC.

**d. Liaison and Timing**

To speed the review and approval process, all submittals should be complete. Choosing a professional to draw the proposed design, design changes and/or alterations is very critical to the approval process. Over the years, we have found most approval problems stem from poor design submittals. To avoid such problems, we strongly recommend that all new construction, design changes and/or alterations be prepared by a design professional. It is hopeful that an outright or qualified approval will be given on the first submission. All approvals shall be in writing and signed by an Architectural Committee member or its representative. Until further notice, all submittals should be delivered or mailed to:

Such rules and such statements of policy may be amended or revoked by the ARC at any time and no inclusion in or omission from or amendment of any such rule or statement shall be deemed to bind the ARC to approve or disapprove any feature or matter subject to approval or to waive the exercise of the ARC's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. The additional property may be owned by the Declarant or by others. As to any additional property, whether owned by the Declarant or others, which Declarant desires to bring into the Association and subject it to this Declaration, the Association, its Members, and all present or future Owners, their mortgagees, successors, and assigns, hereby waive and relinquish any rights to object or protest against bringing such additional property in to the Association or any desired subdivision of such additional property as may be required or desired by Declarant for such additional property. No Owner other than Declarant shall have the right to bring additional property into the Association or to subject additional property to the terms of this Declaration. The provisions of this Section shall not be strictly construed, but shall be broadly and liberally construed for the benefit of the Declarant and the additional property so as to allow the Declarant to bring additional property into the Association and subject it to this Declaration, including but not limited to the subdivision thereof.

**10.03.** Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as an Owner on the records of the Association at the time of such mailing.

**10.04.** The Declarant, the Association, or any Owner, shall have the right to enforce these covenants and restrictions by any proceeding at law or in equity, against any person or

persons violating or attempting to violate any covenant or restriction, to restrain violations, to require specific performance and/or to recover damages; and against the land to enforce any lien created by these covenants; and failure by the Developer, the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The expense of enforcement by the Developer or Association shall be chargeable to the Owner of the Lot violating these covenants and restrictions and shall constitute a lien on the Lot, collectable in the same manner as assessments hereunder.

**10.05.** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect the validity of any other provisions, which shall remain in full force and effect.

**10.06.** No restriction, condition, obligation or provision of this Declaration shall be deemed to have been abrogated or waived by reason of any failure or failures to enforce the same.

**10.07.** Whenever in this Declaration the context so requires, the singular number shall include the plural and the converse; and the use of any gender shall be deemed to include all genders.

In the event that a Lot is owned by two or more persons, the vote allocated to that Lot shall be cast by the person authorized by such multiple Owners, and in the event of a failure to agree upon such authorization, no vote shall be recorded for that Lot. In the event that only one of two or more Owners of a Lot is present in person at a meeting, such one person shall be presumed to be authorized by all other Owners of the Lot to cast the vote with respect to such Lot. 3. Meetings of Members

a. Place of Meeting. Meetings of the Members shall be held at the principal office or the principal place of business of the Association, or at such other place as may be designated from time to time by the Board of Directors.

b. Annual Meeting. After the Association has been turned over to the Owners, the annual meeting of the Members of the Association shall be held at a date and time established by the Board of Directors. The Declarant and only the Declarant will determine when the first annual meeting will occur. At such meeting, the Members shall by written ballot elect a Board of Directors in accordance with these Bylaws and transact such other business of the Association as may properly come before them.

c. Special Meetings. Special meetings of the Members may be called by a majority of the Board of Directors. The Owners/ members may call for a special meeting if seventy-five percent (75%) of the members sign a petition asking for a special meeting. One member per household may sign the petition. The signed petition must be delivered to the Board of Directors and/or the President. Special members' meetings may be held in or out of the State of Tennessee at such place as the Directors or President may designate, or, in the absence of such designation, at the Corporation's principal office. The Corporation shall notify members of the date, time, and place of each special members' meeting no fewer than ten (10) days or more than two (2) months before the meeting date. No business shall be transacted at a special meeting except as stated in the notice.

d. Notice of Meetings. Written or printed notice stating the place, day and hour of the meeting, shall be delivered either personally, via standard mail, or via email by the Secretary to each Member entitled to vote at the meeting, as address information appears on the membership book of the Association, if any, or if no such addresses appears, at his last known place of address, all at least ten (10) days but no more than two (2) months prior to such meeting. The waiver must be in writing, be signed by the Member entitled to notice and be filed in the minutes or corporate records. A Member's attendance at a meeting waives objection to (a) lack of notice or defective notice of the meeting unless such Member objects at the beginning of the meeting or promptly upon his arrival to holding the meeting or transacting business at the meeting; and (b) consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless such Member objects to considering the matter when it is presented.

f. Quorum Requirements. Unless the Charter or any provision of the Tennessee Nonprofit Corporation Act provide for a higher or lower quorum, ten percent (10%) of the votes entitled to be cast on a matter must be represented at a meeting of members to constitute a quorum on that matter. If the number of Members at a meeting falls below the quorum and the question of the lack of a quorum is raised, no business may thereafter be transacted. If any meeting of the Members cannot be held because a quorum is not in attendance, the Members who are present, either in person or by proxy, may, except as otherwise provided by law, adjourn the meeting to a time not less than forty-eight (48)

hours from the time the original meeting was called without a requirement for additional notice.

The vote of any membership, which is owned by more than one person, may be exercised by any of them present at any such meeting unless any objection or protest by any other owner of such membership is noted at the meeting. In the event all of the co-owners of any membership who are present at any meeting are unable to agree on the manner in which the vote for such membership shall be cast on any question, then such vote shall not be counted for purposes of determining that question. No Member is eligible to vote, either in person or by proxy, or to be elected to the Board of Directors, who is shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association.

h. Proxies. A Member may appoint any other Member or any other person permitted by law or by these Bylaws as his proxy. In no case may any Member (except the Developer) cast more than one vote by proxy, in addition to his own vote. A proxy must be in writing and shall be filed with the Secretary or other officer or agent authorized to tabulate votes of the meeting, before being voted. A proxy shall entitle the holder thereof to vote at any adjournment of the meeting, but shall not be valid after the final adjournment the meeting. No proxy shall be valid after the expiration of eleven (11) months from the date of its execution unless otherwise provided in the proxy.

- e. Appointment of the Architectural Review Committee in accordance with the Declaration.

4. Nominations. Nomination for election to the Board of Directors shall be made by the Initial Board of Directors. Nominations shall also be accepted from the floor at the annual meeting of the Members. The Board of Directors may consider establishing a Nominating Committee.

A Director may be removed by the members only at a meeting called for the purpose of removing the Director, and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the Director. A director may also be removed for cause by a majority vote of the entire Board.

VACANCIES: Any vacancy occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board of Directors.

the Association if a resolution authorizing enumeration for services actually performed is considered and adopted by the Board of Directors before such services are undertaken.

The Board of Directors shall permit any or all Directors to participate in an annual meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating can simultaneously hear each other during the meeting. A Director participating in a meeting by this means shall be deemed to be present in person at the meeting.

8. Notice of Directors' Meetings. Regular meetings of the Board of Directors shall be held without notice. Special meetings of the Board of Directors shall be preceded by at least two (2) days' notice to each Director of the date, time and place of the meeting. The notice need not describe the purpose of the special meeting. Notice of an adjourned meeting need not be given if the time and place to which the meeting is adjourned are fixed at the meeting at which the adjournment is taken and if the period of adjournment does not exceed one (1) month in any one (1) adjournment

9. Waiver of Notice. A Director may waive any notice required by the Tennessee Nonprofit Corporation Act, the Charter, the Declaration, or these Bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the Director entitled to the notice and be filed with the minutes or corporate records. A Director's attendance at or participation in a meeting waives any required notice to him of the meeting unless he objects at the beginning of the meeting or promptly upon his arrival objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

10. Quorum and Vote. The presence of a majority of the Directors shall constitute a quorum for the transaction of business. A meeting may be adjourned despite the absence of a quorum, and notice of an adjourned meeting need not be given if the time and place to which the meeting is adjourned are fixed at the meeting at which the adjournment is taken, and if the period of adjournment does not exceed one (1) month in any one adjournment. The vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board, unless the vote of a greater number is required by the Charter, these Bylaws, the Declaration, or by the laws of Tennessee.

11. Fidelity Bonds. The Board of Directors may require that all officers and employees of the Association handling or responsible for the Association's trust funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be paid by the Association.
